

PHASE ONE—FALL 2008

- Two fully accessible, ramped play structures with “Wild West” theme
- Swings, custom spring-riders and an accessible sand table
- Concrete perimeter walkway and curb
- Stamped, colored interior concrete access path with horse hoof and cowboy boot stamping

PHASE TWO—SPRING 2009

- Access paths from existing multi-use trail to the play area
- Concrete ramps onto both play structures for full accessibility
- Wood fiber resilient surfacing underneath all play equipment
- Playground safety signs, “horse parking signs, and picnic tables
