

Let's Play!

Youth Soccer 2024 Summer Season

To Parents of Soccer Participants:

Thank you for allowing your child to play soccer this summer. We look forward to meeting you, the parents, and our team. We are extremely excited about helping your child expand his/her understanding of the game of soccer! As their coach, our first emphasis will be on fundamentals. We will work with your child to further develop their fundamental skills and hopefully we will have a lot of FUN learning together.

We would ask that each child is respectful. Respectful to us, fellow players, opponents, officials, and those they come in contact with throughout the season. We believe it is important to develop an early understanding of sportsmanship and teamwork. Our focus is to teach your child how to develop their skills and have fun playing the game of soccer. I hope that you also share this philosophy and will discuss and emphasize these concepts with your child throughout the season.

Practice and Game Schedule

We will practice for the full hour during the first two weeks of **team practices**. Starting June 17 & 18, we will practice for the first 15 minutes with a practice/warm-up activity, which will be followed by games of two 20-minute halves and review. The game schedule will be available on the Bismarck Parks and Recreation District website at www.bisparks.org by Friday, June 14.

Cancellations

The decision to cancel is never an easy one. We will do the best we can to conduct our programs each day. **For all evening programs: No decision will be made until at least 4pm.** Please check the www.bisparks.org website's orange ALERT bar for updates. You may also "Follow" the BPRD Facebook page as weather notifications are posted there. Due to the short summer session, we are unable to offer makeups because of weather cancellations.
